OUR REGULAR COURSES

B.Sc. in Medical Laboratory Technology (BMLT)

Bachelor of Hospital Administration (BHA)

BMLT full form is a Bachelor of Medical Laboratory Technology, which is an undergraduate degree programme focusing on laboratory diagnostics and medical testing. A Bachelor of Medical Laboratory Technology (BMLT) degree unlocks exciting possibilities! This 3-4 year undergraduate program equips you for a fulfilling career in analyzing medical samples.

BMLT

Typically requiring a science background (Physics, Chemistry, Biology) in 10+2, a BMLT program offers in-depth knowledge in clinical biochemistry, haematology, microbiology, and more. You'll gain hands-on experience in essential lab techniques, making you proficient in analyzing samples to aid medical diagnoses.

BMLT graduates are highly sought after in healthcare settings. Pursue a BMLT degree to become a medical laboratory technologist, lab technician, or research assistant, and contribute significantly to patient care.

BHA

Bachelor of Hospital Administration (BHA) is a 3 year undergraduate program that prepares potential health managers by equipping them with Hospital Administration and Management Art and Science. The Healthcare business is transforming and developing at a breakneck rate. directing to the growing demand of the Hospital Administrators, who play a crucial role in the process of a Hospital system and the quality of care and skills it offers.

ELIGIBILITY : Any Rank holder of JENPAS(UG) having at least 50% marks in Aggregate. Candidates should note that Physics, Chemistry, Mathematics and Biology must be the Core Subjects during the 10+2 level.

FROM THE DESK OF THE

DIRECTOR

DR. BAZLUL HAQUE

Pinnaccle Group of institutions began their proud history as Elitte Institute of Engineering and Management, a Diploma Engineering College, approved by AICTE and affiliated to WBSCTE, established in the year 2009 to serve the society by delivering quality engineering education to the students. Over the years this college has greatly evolved and expanded offering the students with an outstanding learning environment and life changing opportunities to make them understand the cornerstone of success. In 2015, we moved a step forward to establish Elitte College of Engineering, the Degree College approved by AICTE and affiliated to MAKAUT. The other institutes under the aegis of Pinnaccle Group of Institutions are, I.T.I college namely Luthfa Private Industrial Training Institute duly approved by NCVY, New – Delhi a and another Diploma College, Luthfaa Polytechnic Institute in Durgapur approved by AICTE and affiliated to WBSCTE. Today, we are proud to add another feather in our cap, Elitte College of Health Science approved by the Directorate of Medical Education, Govt of West Bengal.

Elitte College of Health Science is offering the courses like, BSc in Medical Laboratory Technology, Bachelor of Hospital Administration, BSc in Critical Care Technology, BSc in Operation Theater Technology. Here we've created an environment totally dedicated to healthcare. Our students learn theories with practical exposure tailored to helping them follow their calling to heal. They gain the evidence-based knowledge, skills, and experiences they need to reimagining health and transform lives.

Elitte College of Health Science is dedicated to learning, healing, and doing and pursuing those passions with uncompromising excellence.

FROM THE DESK OF THE

SECRETARY

MR. SAJAL GHOSH

This is my delight to exhibit the successful journey of Pinnacle Group of Institutions that started in the year 2009 with the establishment of Elitte Institute of Engineering and Management. Elitte Institute of Engineering and Management and Elitte College of Engineering are rich in tradition and culture and we are doing our level best to maintain the essence that makes EIEM & ECE outstanding. We keep on introducing new ideas and programs that are aimed at taking our organizations to greater heights. To achieve the same objective, Elitte College of Health Science has been established to educate the healthcare professionals that our world clearly needs now even more than ever.

We expect that ECHS will be taking an active role in providing worthy and educated professionals who will be the torch bearers of our nation in the coming years. Our vision is to produce quality health care personnel-disciplined, motivated and confident young men & women who will make our county proud. The green campus of ECHS is a wonderful place for the students from diverse backgrounds to grow educationally, get involved, and have a meaningful college experience. We are proud to follow our mission of commitment to academic excellence, leadership and professional best practices.

FROM THE DESK OF THE

MANAGER CO-ORDINATION

MR. SANKAR RAY

The institutions under Pinnaccle Education Trust have always been on a fascinating path of growth and development. Elitte Institute of Engineering and Management and Elitte College of Engineering have already established themselves as eminent technological institutes in the state, but that is just the tip of the iceberg compared to the huge initiatives and progress the institutes are making as we see the well-timed introduction of a Health Science College when the world needs skilled healthcare professionals at most . In ECHS, faculty strength and infrastructure are satisfactory enough to cope up with the present demand. Recently a new mission and vision have been adopted which would surely elevate us to become a leader among other health care institutes established in the new millennium. We have made a stunning beginning but there is a long way to go but I am sure, with the active cooperation of all our stakeholders, students, faculty, staff, employees, collaborators, governmental organizations, media and public at large, we will be able to fulfill the motto of Elitte College of Health Science.

FEES-STRUCTURE BMLT & BHA

DETAILS SEGREGATION OF STUDENTS FEES STRUCTURE							
B.Sc. in Medical Laboratory Technology (BMLT)	1st Year (Rs.)		2nd Year (Rs)		3rd Year (Rs)		Total (Rs)
	1st Sem	2nd Sem	3rd Sem	4th Sem	5th Sem	6th Sem	
Admission Fees	10,000.00						10,000.00
Tuition Fees	44,000.00	40,000.00	40,000.00	40,000.00	40,000.00	40,000.00	244,000.00
